PRODUCTS

Our Advisory Services: Your Gateway to Smart Trading

At **Right Pick Advisors**, we provide a modern approach to advisory services, delivering expert trading calls that empower you to navigate the financial markets with confidence. We focus on providing strategic guidance for a variety of instruments, ensuring you have the knowledge to make informed decisions.

Our Advisory Services provide real-time, actionable calls on:

- **Stocks, Futures & Options:** We deliver clear and timely recommendations on when to enter and exit trades. Our guidance includes crucial risk management tools like stop-loss orders and hedging strategies to help you protect your capital and limit potential losses.
- **Commodities:** We extend our expertise to the commodities market, providing calls to help you capitalize on opportunities in this dynamic sector.

We don't just provide calls—we provide a partnership. We empower you to take control of your trading while benefiting from our professional insights and value-driven approach. This service is for clients who want to be actively involved in their investments with the backing of our sound, experienced advice.

Account Management Services (AMS) : Accountability You Can Count On.

At **Right Pick Advisors**, we act as your dedicated Account Manager, handling your investments with complete transparency. The funds remain securely in your account, while we take full responsibility and accountability for their management.

Our Partnership Model:

- **Performance-Based Fee:** We earn only when you profit, charging a 20% share on gains. This model ensures that we grow only when you grow.
- **Disciplined Investing:** A 1-year lock-in period ensures disciplined investing and optimal portfolio growth.

We offer clear reporting and regular updates to keep you informed about your portfolio's performance. Our goal is to provide a seamless and trustworthy experience, acting as a true partner in your financial journey.

(AMS) Process

At Right Pick Advisors, our AMS process is designed to be a transparent and collaborative partnership, where we take on the full responsibility of managing your investments while your funds remain securely in your own account.

Step 1: Client Profiling & Goal Setting Before we begin, we take the time to understand you. We conduct a complete client profiling to understand key factors such as your age, financial goals, and risk appetite. This allows us to create a customized portfolio tailored specifically to your unique needs and objectives.

Step 2: Expert Account Management As your dedicated Account Manager, our team of highly qualified professionals, including SEBI-registered research analysts, brings over a decade of experience to the table. We actively manage your portfolio by integrating technical, fundamental, macroeconomic, and geopolitical insights. Our decision-making process is also enhanced by harnessing technology for smarter and faster investment choices.

Step 3: Active Risk Management & Transparency We prioritize protecting your capital while pursuing consistent growth. We ensure complete transparency with clear reporting and regular updates on your portfolio's performance.

Step 4: Shared Success Our model is built on a shared success principle: we earn only when you profit. We charge a 20% share on gains, ensuring that our success is directly tied to yours. A 1-year lock-in period also ensures a disciplined approach to investing and optimal portfolio growth.

Investing in Mutual Funds : Your Path to Financial Freedom

At **Right Pick Advisors**, we believe that mutual fund investments should be a powerful tool for achieving life's most important milestones. Our process is designed to be a thoughtful and personalized journey, not a one-size-fits-all solution.

Step 1: The Deep Dive - Understanding Your "Why" We begin by getting to know you. This isn't just about a standard client profile; it's about understanding your motivations and aspirations. We'll discuss your age, current earnings, existing investments, and crucial factors like inflation. Most importantly, we'll focus on your personal goals—whether it's planning for a comfortable retirement, securing your child's higher education, funding their marriage, or even embarking on that dream world tour. Our team meticulously considers every detail to ensure your investments are perfectly aligned with your life's ambitions.

Step 2: The Blueprint - Crafting Your Strategy Once we have a complete understanding of your unique objectives and risk appetite, we create a customized investment strategy. This blueprint is designed to build a diversified portfolio that aligns with your financial goals and time horizon, without compromising on other aspects of your financial life.

Step 3: The Journey - Continuous Tracking & Adjustments The market is dynamic, and so is life. Our commitment to you doesn't end after the initial investment. We continuously monitor your portfolio's performance and track market trends. If conditions change or your personal goals evolve, we proactively recommend necessary adjustments to your portfolio to ensure you remain on track.

Step 4: The Reward - Enjoying Your Goals Our ultimate goal is to see you succeed. Through our disciplined and attentive approach, we aim to help you reach your financial milestones. We handle the complexities of the market, allowing you the freedom to focus on what matters most—enjoying the realization of your goals.
